ACTIVITIES AT THE HEART OF THE FOREST

The Sonian Forest, Brussels's healer

Shinrin Yoku forest bathing (Japanese sylvotherapy) with a certified guide. Discover the woods in a different way: in slow motion, with all your senses open (there are more than 10!). A breakout of time to feel good, to reconnect with yourself, with nature/forest life and with other people. Duration: 3h

In partnership with [Sylvolutions.eu](https://www.sylvolutions.eu)
Other languages (EN, IT, ES), dates, places can be organized for private visits on request

WORKSHOPS, MEETING, FOREST BATHING, TEAMBUILDING "A LA CARTE"

We facilitate workshops and teambuildings based on scientific research on the forest's intelligence, as well as on the superpowers of trees

We organize conferences, fun and educational workshops to discover the secrets of the urban forest.

We come to meet you in your organization, companies, associations, collectives, libraries, academies, schools, etc. to design tailor-made outdoor activities and programs.

We take you into amazing places in the Forest.
